

BIRTHDAY PARTY FREQUENTLY ASKED QUESTIONS

Q: What does the party include?

A: Your 2-hour birthday party will start out with 1-hour on either a turf field or our basketball court, depending on which package you choose. The second hour will follow in a private party room for you to continue your celebration. To make things easier on you, all TSE hosted birthday parties will have a TSE Birthday Leader who will coordinate all of the games and activities. Your leader will also help serve cake, pizza and drinks for you in the room. He/she will help you in whatever capacity you need to make this day worry and hassle free for you.

Q: What are the different types of games that my son/daughter can choose from?

A: We can do just about any type of sport, game or activity that can be played on a turf field or basketball court.

Q: How many children can I invite?

A: We don't limit the number of children you can invite. It is important to keep in mind though, the field and room size when determining how many you want to invite. At 16 or more kids, we have to use the larger party room, and there is a \$25 fee to use the larger room. We also recommend that for larger sized parties it might be best to have a second TSE party leader. The cost for a second leader is \$40.

Q: How many games can my son/daughter choose?

A: There isn't a set number that you have to choose. Our whole goal is to help your child have a great birthday party experience. With that being said, we do like to have a general idea of the type of activities he/she may like to do so that we can customize their birthday party just for them. If that means they want to play 3 different games, then that's perfectly fine. If it means they want to play one game for the whole hour on the field/court, then that's fine too. We will adjust to whatever they want to do as best we can.

Q: What field is best for my party?

A: The best field for you is sometimes best determined by one or more of the following 3 factors: the number of guests you have, the age group of the party, or the type of games wanted

at the party. If you have a larger number of guests attending, you may want to consider one of our boarded fields. If you have a group of 5 year olds coming in and it's a fairly average sized group (12-18), our 25x25 turf field would probably work out ok for you. If you have a group of 12 year olds that want to play flag football, you definitely want to use our boarded field. It's all just a matter of the size and age of your group and the activities they are interested in doing.

Q: Can I bring in my own decorations?

A: We do decorate the room, but if you have special decorations, you are more than welcome to bring them in.

Q: What is included in the birthday food package deal?

A: The package deal comes with all the set-up which includes: the tablecloth, paper plates, napkins, forks, cups, candles and serving utensils for the cake. Along with the set-up, the 5 different choices of packages include enough food designed to feed 16 children as well as 3 pitchers of fountain drinks (more can be purchased). To top off the package, we don't want you to do any clean up at all, so we will take care of the break down and clean up. This all inclusive package deal cost is \$48. The 5 different packages are as follows:

1. Salvatore's Pizza Package
2. Sub Sandwich Package
3. Chicken Tenders Package

Q: When is the balance of what I owe for my party due?

A: The balance of your party is due at the end of your party.

Q: Are gratuities allowed for my TSE party leader?

A: If you feel that your party leader did a great job and you want to give him/her a tip, by all means, feel free to give them a tip.
